

# GO MODULAR IN 2010

Create the popular modular look in your bathroom with furniture from Utopia's new Timber Collection in either Golden Oak or Walnut. To achieve the minimalist effect with its emphasis on clean lines, symmetry and space, you can select just one or two units.

Here, twin washbasin units in Henley Golden Oak are separated by floating shelves and topped with Quantum Square basins and simple, unframed mirrors. High gloss floor and wall tiles in black make the perfect background for the natural grain and rich colour of the furniture.

Prices for a double drawer unit as shown here start from £749.

For further information, please visit [www.utopiagroup.com](http://www.utopiagroup.com) or call 0800 288 8410.
