

Henley in Golden Oak

Mellow Golden Oak is the perfect choice for an elegant and practical bathroom that will stand the test of time and it is teamed here with Henley, a classic Shaker doorstyle from Utopia's new Timber Collection. A fabulous marble worksurface - Imperial Marrone - adds a touch of luxury with its striking pattern and high gloss finish.

Utopia's extensive range of cabinets makes it easy to design the ideal layout for your particular requirements. Drawers, cupboards, shelving and mirrors have all been combined into this run of units, ensuring plenty of storage space for all the family. The smart, contemporary Quantum Square basin and Paleto tap provide a pleasing contrast to the classic styling of the furniture.

Henley is one of two doorstyles from Utopia's Timber Collection, both of which are available in Walnut or Golden Oak.
