PRESS INFORMATION

NEW CONTEMPORARY RANGE FROM UTOPIA

Utopia Bathroom Group is launching a brand new core range of contemporary bathroom furniture. Unity is a selection of key units comprising a washbasin double door unit, a washbasin single drawer unit and a WC unit in a choice of either Walnut or Light Oak, Utopia's two most popular finishes.

Designed as a versatile complement to the existing Utopia range of fitted and modular furniture, Unity offers a convenient solution where contemporary bathroom furniture is required.

Helen Bray, marketing director, comments, "We expect the minimalist styling and carefully selected range content to make Unity a popular choice. Although we have developed Unity as a standalone collection, it can also be teamed with items from our fitted and modular ranges to further extend the versatility of this core selection."

A double sided, A4 leaflet detailing the range has been produced and is available with a Perspex display stand for the showroom.

For further information on Unity, please contact your Area Sales Manager or the Customer Services Team on 01902 406402.
