

uniquely YOU™

Here's a beautiful variation on a classic black and white colour scheme. Cabinets from Utopia's YOU™ modular range in a striking combination of White Gloss and Midnight Grey Gloss have been positioned to create a stunning but highly practical bathroom.

Ornate wallpaper, feminine accessories and a decorative lampshade have been introduced as a contrast to the bold choice of units and to soften the overall look.

Prices for the Gelcast 800mm washbasin double drawer unit start from £860.30.
